

The Boosters work closely with our Athletic Director and Coaches to understand what is needed for our sports community. The Boosters are an extra support system to Gull Lake Athletics and thanks to our membership, fundraisers, concessions and community donations, we are able to donate over \$60,000 annually to our Teams and Student Athletes. With your help we have been able to deliver financial support to the teams as well as raising community spirit to help cheer them on! Each year we plan and organize various fundraising and community enhancing events. We appreciate and thank everyone for all their support this year and in the future!
